OBJECTIVE

I seek challenging opportunities where I can fully use my skills for the success of the organization.

PROJECTS

Online Men's Perfume Selling System

- Built an online store for men's perfumes, providing detailed product information, easy checkout, and responsive design for mobile and desktop users.

Online Televisions Shopping System

- Created an e-commerce website for televisions with features such as product search, filtering, order tracking, and admin panel for product management.

Online Air Conditioners Shopping System

- Developed aweb-based platform for purchasing air conditioners online.

EDUCATION

Bachelor of Computer Application (BCA)   2022-2025
Saurashtra University, Rajkot
